

**Prof. Dr. Ingrid Lohmann**

Children 2 (born 2003 and 2006)  
Work address Heidelberg University  
Centre for Organismal Studies  
Department of Developmental Biology  
Im Neuenheimer Feld 230  
D-69120 Heidelberg  
E-mail [ingrid.lohmann@cos.uni-heidelberg.de](mailto:ingrid.lohmann@cos.uni-heidelberg.de)  
Current position Full professor (W3, tenured)

**Academic education**

1988 - 1994 Undergraduate studies in biology, Ludwig Maximilian University, Munich  
1999 Dr. rer. nat. in biology, Ludwig Maximilian University, Munich

**Professional appointments**

1999 - 2002 Postdoctoral fellow, University of California San Diego, La Jolla  
2002 - 2008 Project leader, Department of Molecular Biology, Max Planck Institute for Developmental Biology, Tübingen  
2008 - 2012 Independent group leader (tenure-track), Cluster of Excellence "CellNetworks", Heidelberg University  
since 2012 Full professor and head of the Department for Developmental Biology, Centre for Organismal Studies, Heidelberg

**Honors, awards and coordinating functions**

1999 Ph.D., "Summa cum Laude"  
1999 Award for best Ph.D. in Developmental Biology, Gesellschaft für Entwicklungsbiologie (GfE)  
1999 EMBO Longterm Fellowship  
2001 DFG Research Fellowship  
2009 - present Member of the Cluster of Excellence „CellNetworks“  
2010 Organizer, CNC 2010 CellNetworks Conference, Heidelberg, Germany  
2013 - present Member of Steering Committee, Collaborative Research Centre SFB873  
2014 Organizer, Regional Drosophila Meeting, Heidelberg, Germany  
2015 Organizer, European Drosophila Research Conference, Heidelberg, Germany  
2015 - present Speaker of Master program "Developmental and Stem Cell Biology", Heidelberg University  
2015 - present Ombudsperson for PhD students, Heidelberg University

**Fields of interest**

Role of Hox transcriptional networks in animal development with a focus on the establishment, maintenance and plasticity of neural networks, stem cell homeostasis and the interplay of metabolism and growth control.
